f. Japanese Patent Publication No. 8-304631: In lieu of a statement of relevance, the International Search Report are attached from the PCT application from which the present application is a national stage.

g. Japanese Patent Publication No. 2001-343507: In lieu of a statement of relevance, the International Search Report are attached from the PCT application from which the present application is a national stage.

h. Japanese Patent Publication No. 2002-245823: In lieu of a statement of relevance, the International Search Report are attached from the PCT application from which the present application is a national stage.

i. Japanese Patent Publication No. 2002-245824: In lieu of a statement of relevance, the International Search Report are attached from the PCT application from which the present application is a national stage.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If it should be determined that the listed document does not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP

Robert J. Goodell, Reg. No. 41,040
